ARE YOU READY FOR THE
Royal Treatment?
 THE BEST CHECK-IN SYSTEM IN ALL THE LAND

www.kidcheck.com • (855) KIDCHECK

Fast, Easy, Secure Children's Check-In

KidCheck's easy-to-use children's check-in system is simply the best at keeping kids safe.

You get more than attendance tracking with extensive security features to create a safe environment for the kids and peace-of-mind for the parents.

Plus, with Express Check-In, parents can check their kids in using their mobile device, saving time with no lines.

FROM **\$25** PER MONTH

✓ Easy For All

- Smart software solutions, including mobile Express Check-In, make implementation and check-in a breeze.
- Parent-maintained accounts drastically reduce your account set-up and maintenance work.
- Comprehensive reporting, data analysis and exporting help you easily track attendance and interpret data.

✓ Security Comes First

- Unique child and guardian security codes and watermarks promote a secure environment.
- Designated authorized and non-authorized guardians ensure safe pickups.
- Easy-to-identify allergy warnings, diet restrictions and other special instructions put parents' minds at ease.

✓ Free Training & Support

- Expert personal support 6 days a week, including Sundays, ready to help if you need it.
- Comprehensive training and support is readily available with live personal service and extensive online tools.
